A REPORT : TCS CAMPUS TO CORPORATE TRAINING PROGRAMME 2015 -16

In the first semester of the academic year 2015 -16 , once again under the able guidance & dynamic leadership of the **Principal Dr Rita Basu** , the **Campus to Corporate** transition programme (based on the TCS Campus to Corporate Readiness module) was conducted for the Second Year & the Third Year degree college students.

A team of 5 core faculty members were finalized as the trainers who would impart the course to the students – this time the second batch.

The 5 staff members chosen were again :

Ms Neelima B – Librarian & **Dr Priyadarshini Poddar** – BMM Coordinator who were initially trained by TCS.

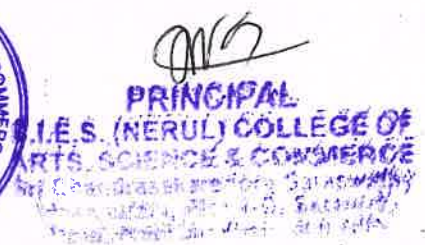

Along with them , **Ms Ananya Gon** – BMS Coordinator & **Mr Mithun Pillai** – BMM Faculty (who also attended the Train the Trainer Programme conducted by TCS during the month of August 2015 thereby helping them to enhance their teaching abilities)

Ms Nisha Telang - BMS faculty was also included in the team as facilitator.

Like for the earlier batch , a time table was drawn & the entire syllabus was equally divided amongst the team. Registration details were also decided upon.

The team members then individually went to all the classrooms of the Second Year & the Third Year students of all the streams to make announcements about the course.

The students were briefed about the nature & purpose of the course , its benefits , the mode of instruction & registration details.

The response of the students was overwhelming & within a period of 3-4 days all the seats were full as the batch was to be of not more than 50 students. The students were charged a nominal amount of Rs 700 for the entire duration of the course.

How ever due to the overwhelming enquiries & the response generated , the number of seats was increased to 52 & later 64 , with the permission of the Principal Dr Rita Basu.

The course commenced on 27th July 2015. The very first session held in the audio visual room was inaugurated by Mr S V Viswanathan – the Joint Honorary Secretary who addressed the students & motivated them by speaking about his personal experiences in the corporate world.

He was joined by the **Vice Principal** of the college **Professor Koel Roy Choudhury**. She both encouraged & inspired the students & also shared some placement related tips.

The course was run on a regular basis , with the 5 trainers taking lectures in rotation every week. The students were again made aware of certain personality development and communication skills & their response was highly positive. Again most of the lectures were conducted in the Audio Visual room. The medium of instruction was via lectures with more emphasis on interaction and participatory activities by the students , in order to boost their confidence and self esteem. The sessions were made very lively with a lot of interactive games & use of audio visual techniques.

The students were coaxed to participate via mock competitions / games thereby ensuring hands on experiences for them.

The students were delighted with the expert sessions & the feedback was excellent from them. Each of these sessions was a masterpiece & the students gained tremendously from them.

The course then resumed with the regular lectures & finally came to an end on 15th of September 2015. All the students had to make groups in order to make presentations for which they were evaluated.

The efforts taken by the students was very heartening in terms of their interest, grasping abilities, team work, out of the box thinking & sheer hard work. The course ended with a thanks giving function - **Shukraan**, a cultural programme (comprising of a song, dance & a skit based on the TCS topics taught) organized by the students themselves.

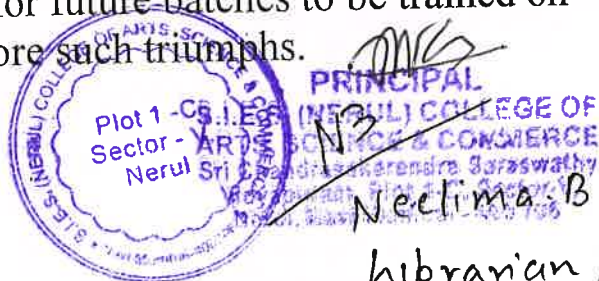

The outcome was that almost every student displayed a lot of potential & justified their being certified.

After their stupendous performance, each of them got their certificate again at the hands of the core faculty members, who congratulated them & wished them all success in their future endeavours.

This course thus completed its second successfully year for the degree college students and there is no denying that a major share of the credit goes towards the **Principal Dr Rita Basu**, who has been the back bone throughout.

And of course the 5 core faculty members, who left no stones unturned be it for the teaching, the administrative work, organizing, planning or making the overall arrangements related to the course.

The continuing success of this Campus to Corporate Transition programme will now act as the fuel for future batches to be trained on the same lines. And also for many more such triumphs.

The Principal once again decided that something off beat was required beyond run of the mill. Her aim was to have an icing on the cake which would elevate the entire outlook towards the course.

Once again, guided by the Principal - to further enhance the quality of the course & to make it par excellence, it was decided to call trainers, experts with actual industry work experience & other connoisseurs in various fields who would interact with the students & share their valuable expertise.

In keeping with this objective 4 days were allotted. The experts who were called were :

- 1 Ms Ritu Thakkar – Corporate Trainer – Reliance Industries
- 2 Chef Sandesh Rane - food production lecturer associated with ITC, Hyatt, Taj etc
- 3 Mr Nikhil Vaity – food & beverage service lecturer associated with JW Marriot, Four Points, Sheraton
- 4 Mr Dalvir Virdi - Ex Wing Commander – Indian Air Force & Strategic Advisor at Datamatics
- 5 Professor RSS Mani - Vice President – Institutional Development - ITM Group of institutions

Ms Ritu Thakkar spoke on **Designing Life at Twenty**. Chef Sandesh & his able team took a lecture on **Basics of Cooking & Fine Dining**. Mr Dalvir addressed the students on **Leadership Styles & abilities**. Finally Professor RSS Mani spoke on **Campus to Corporate : an overview**.

The students were briefed about the nature & purpose of the course , its benefits , the mode of instruction & registration details.

The response of the students was overwhelming & within a period of 3 - 4 days all the seats were full. The batch strength went upto 75 vis a vis 64 in 2015 -16. The students were charged a nominal amount of Rs 700 for the entire duration of the course. This was highly indicative of the popularity of the course.

The course commenced on 25th July 2016. The very first session was held in the audio visual room. It began with the lighting of the lamp by the core team members who then addressed the students. The students were told in detail about the course , its benefits , the course content , the teaching methodology with an emphasis on grasping and learning the maximum possible.

The course was run on a regular basis , with the 5 trainers taking lectures in rotation every week. The students were again made aware of certain personality development and communication skills & their response was highly positive. The lectures were conducted in a secluded space in the library , provided with audio visual aids. The medium of instruction was via lectures with more emphasis on interaction and participatory activities by the students , in order to boost their confidence and self esteem. The sessions were made very lively with a lot of interactive games & use of audio visual techniques.

The students were coaxed to participate via mock competitions / games thereby ensuring hands on experiences for them.

DETAILED REPORT : TCS CAMPUS TO CORPORATE TRAINING PROGRAMME 2017 -18

Like every academic year for the past three years , the **Campus to Corporate** transition programme (based on the TCS Campus to Corporate Readiness module) began in the month of August 2017 (in the first semester of the academic year 2017 -18).

It was again conducted for the First , Second Year & the Third Year degree college students. This is the 4th batch of undergraduate (degree) students.

Like for the earlier batches , a team of 5 core faculty members were finalized as the trainers who would impart the course to the students – this time the second batch.

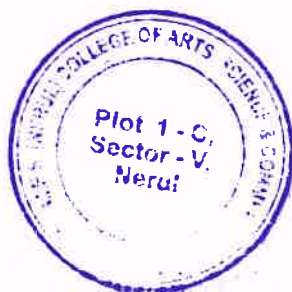

The 5 members were again :

Ms Neelima B – Librarian & **Dr Priyadarshini Poddar** – BMM Coordinator who were initially trained by TCS.

Along with them , **Ms Ananya Gon** – BMS Coordinator & **Mr Mithun Pillai** – BMM Faculty (who also attended the Train the Trainer Programme conducted by TCS during the month of August 2015 thereby helping them to enhance their teaching abilities)

And **Ms Nisha Telang** - BMS faculty who was also again a core member of the team / facilitator (on leave so excluded for the 2017-18 batch)

The initial procedure has remained the same. Like for the earlier batches , a time table was drawn & the entire syllabus was equally divided amongst the team. Registration details were also decided upon.

A notice was circulated in the the classrooms of the UG students stream wise. Students were briefed about the nature & purpose of the course , its benefits , the mode of instruction & registration details.

As seen in the past , the course is extremely popular & so the response of the students was extremely positive. Registrations were done on a first come first serve basis and stopped at 50 students. The students were charged a nominal amount of Rs 700 for the entire duration of the course.

The course commenced on 10th August 2017. The very first session was held in the audio visual room. It began with the lighting of the lamp by the core team members who then addressed the students. The students were told in detail about the course , its benefits , the course content , the teaching methodology with an emphasis on grasping and learning the maximum possible.

The course was run on a regular basis , with the 4 trainers taking lectures in rotation every week. The students were again made aware of certain personality development and communication skills & they were totally involved in the activities. For the first time it was conducted across two semesters.

The lectures were conducted both in the audio visual room and in classrooms provided with audio visual aids. The medium of instruction was via lectures with more emphasis on interaction and participatory activities by the students , in order to boost their confidence and self esteem. The sessions were made very lively with a lot of interactive games & use of audio visual techniques.

The students were coaxed to participate via mock competitions / games thereby ensuring hands on experiences for them.

So as to further enhance the quality of the course & to make it par excellence , like every academic year , it was decided to call trainers ,

experts with actual industry work experience & other connoisseurs in various fields who would interact with the students & share their valuable expertise.

In keeping with this objective 4 days were allotted. The experts who were called were :

- 1 Ms Nuzhat Jahan - Owner Physiofit , Sports Physiotherapist
- 2 Ms Padma Nayak - Serial Entrepreneur , Image Consultant
- 3 Mr Sankara Ramnath - Founder , CEO , U2K Consulting
- 4 Ms Ritu Thakkar - Manager - ICICI Securities

Ms Nuzhat addressed the students on **Better Ergonomics for Success**. Ms Padma on **Image Management – A key to Corporate Success**. Mr Sankara on **How to get the Job that you want**. And finally Ms Ritu Thakkar spoke on **Designing Life at Twenty**.

The students were delighted with the expert sessions & the feedback was excellent from them. Each of these sessions was very informative & the students gained tremendously from them.

The course finally came to an end on the 28th of February 2018. Again the student feedback was taken and was found to be very satisfactory.

All the students then had to make groups in order to make presentations for which they were evaluated. This year again the 3 best speakers were to be given an additional certificate to both boost and motivate them.

Almost every student displayed a lot of improvement in terms of their interest , grasping abilities and team work as compared to the beginning of the course, which was very heartening. This year , each group even took the effort to make a power point presentation based on a lot of efforts and research. Finally there was a tie between 6 best speakers

DETAILED REPORT

TCS CAMPUS TO CORPORATE TRAINING PROGRAMME (TCS C to C)

2019 - 20

Like in every academic year , the coveted **Campus to Corporate** transition programme was again conducted for the First , Second Year & the Third Year degree college students. This is the 6th batch of undergraduate (degree) students.

The programme (based on the TCS Campus to Corporate Readiness module) began in the month of August 2019 (in the first semester of the academic year 2019 -20). Its basic purpose - to equip students for life outside the campus especially in the corporate world.

Like for the earlier batches , a team of 5 core faculty members were finalized as the trainers who would impart the course to the students – this time the second batch.

The 5 members were again :

Ms Neelima B – Librarian / Convenor & **Dr Priyadarshini Poddar** – BMS faculty who were initially trained by TCS.

Along with them , **Ms Ananya Gon** – BMS faculty & **Mr Mithun Pillai** – BMM Faculty (who also attended the Train the Trainer Programme conducted by TCS during the month of August 2015, thereby helping them to enhance their teaching abilities). The team also included Ms Nisha Telang BMM Faculty , now appointed Co - Convenor.

The initial procedure has remained the same. Like for the earlier batches, a time table was drawn & the entire syllabus was equally divided amongst the team. Registration details were also decided upon.

A notice was circulated in the classrooms of the UG students stream wise. Students were briefed about the nature & purpose of the course, its benefits, the mode of instruction & registration details.

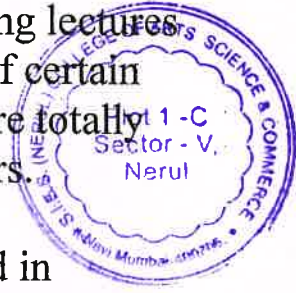

As seen in the past, the course is extremely popular & so the response of the students was extremely positive. Registrations were done on a first come first serve basis and stopped at 50 students. But due to its popularity, the number of seats was increased to 56. The students were charged a nominal amount of Rs 826 for the entire duration of the course.

The course commenced on 20th August 2019. The very first session was held in the audio visual room, during which the core team members addressed the students. Ms Suma – SIES Central Training Department was called for the inauguration along with the Vice Principal Dr Koel R C. They motivated the students and encouraged them to take the course seriously.

The students were told in detail about the course, its benefits, the course content, the teaching methodology with an emphasis on grasping and learning the maximum possible. Ex TCS C to C students (Ms Samyukta – BAF) also attended and addressed the current batch, sharing their experiences.

The course was run on a regular basis, with the 4 trainers taking lectures in rotation every week. The students were again made aware of certain personality development and communication skills & they were totally involved in the activities. It was conducted across two semesters.

The lectures were conducted both in the audio visual room and in classrooms provided with audio visual aids. The medium of instruction

All the students then had to make groups in order to make presentations for which they were evaluated. Almost every student displayed a lot of improvement in terms of their interest, grasping abilities and team work as compared to the beginning of the course, which was very heartening. This year too, each group even took the effort to make a power point presentation based on a lot of efforts and research.

The evaluation was done by the Convenor Ms Neelima B. This year again the 3 best speakers were to be given an additional certificate to both boost and motivate them. The session was also attended by Ms Rajalakshmi – BAF faculty, Dr Priyanka Mohan – BAF faculty & Ms Divya Nair – BMM faculty who evaluated the students group wise, asked questions & gave their inputs.

Finally there was a tie between 10 best speakers who had to speak again on their complete C to C experience. From amongst them the final 3 were chosen – Harshada - SYIT, Lagan - SYBMS & Astha - SYBMS.

This course thus completed its sixth year successfully for the degree college students. Each student finally (barring those who were absent) got their certificates at the hands of the Librarian & TCS facilitator Ms Neelima B. She congratulated & wished them all success in their future endeavours.

Once again the course came to its end like every academic year. And was successfully completed. The sincerity and dedication shown by the students was indeed heartening. And a motivation for the team to keep improving their efforts. The highlight of the course – successfully moulding raw students into those with the skills and finesse to face and take on the outer world and corporate life.
