The course ended with a small thanks giving function - organized by the students themselves. They felicitated each core facilitator with a rose and a small card.

Finally each of them ( barring those who were absent ) got their certificate again at the hands of the core faculty members . who congratulated them & wished them all success in their future endeavours. Like in 2015 -16 , the certificates were designed by the students from the batch itself,

This course thus completed its third successfully year for the degree college students

Thus the overall efforts taken for teaching , the administrative work , organizing , planning or making the overall arrangements related to the course , fully paid off. So also the support and encouragement provided by the **Principal In Charge Ms Koel Roychoudhury** at every step. Later , the class representative of the group **Samyuktha J ( a first year student )** was also specially felicitated by her for the hard work , involvement and drive shown in a group comprising of First Second and Third Year students.

The continuing success of this Campus to Corporate Transition programme thus has been an inspiration for the core team. It has motivated them to better their efforts and thereby ensure that every academic year more students both avail of , benefit from this course and emerge fully equipped for corporate life.
