### Club innovation

#### Report

Entrepreneurship activity "CLUB INNOVATION" was held on 24<sup>th</sup> February 2018 for SYBMS students

The students of SYBMS were given a task of identify product or service extension or new product or service idea generation. The students were divided in 10 groups. The submitted ideas were

1. Club Tub. A single tub that is divided in 2 components which has cooling and heating to be use in theatre for serving cold drinks and popcorns.

2 Women Safety Watch:- a women safety watch which has GPS tracker and a alarm.

3 Ticker Me:- all book have book mark which suggests the last read page. But a ticker me is a extended book mark that has a index finger that can scroll to suggest last read line in the page.

4 GPS helmet:- It's a set GPS with voice so show the path

5 Charging Shoes. While walking and running it stores the energy generated and converts into charger

6 Eco friendly packaging:- I stead of plastic and aluminium packaging it will be made from eco friendly material like compressed leaf or paper

7 Wireless mobile charger:- A device that works on solar energy and charges mobile kept on it.

8 Scrolling screen in mobile that turns Mobile to mini laptop

9 Realtime tracking of NMMT bus:- An app that can give real time update on bus schedule and movement.

10 Bookateria:- A cafeteria for book lovers to issue books from walk in library and drink coffee.
