COMBATTING CLIMATE CHANGE

Venue: Quadrangle and SIESCOMS Auditorium

Date: 23rd September, 2019

ISR committee of SIES College organized an event called 'Combating Climate Change' on 23rd September, 2019. The event was divided into two segments, a skit and a competition.

The students took an initiative to completely avoid the use of plastic. Thus, a cloth banner was used to support the plastic ban. The guests for the day were Mr. Abhiraj and Mrs. Neeti (who started the '100 reasons to love India' campaign), Mr. Subhajit Mukherjee (CEO of Green Mission and Ambassador of 'Jal Shakti Abhiyan') and Ms. Neha Singh. The guests were felicitated with plants to promote the idea of planting trees to reduce climate change.

The event started with a skit performed by the volunteers of the committee on how climate change is slowly affecting our day to day life. After the skit, 'Idea Generation', the flagship event, started with lighting of lamp by the guests, convener and the secretaries. Eight teams from four different departments of the college participated in the competition. The teams came up with great ideas to combat climate change. Sana Khan from Msc in Environmental Science won the competition. This was followed by a QnA session with the panelists where students got to interact with them.

The event was an eye opener for the students about their responsibility towards the environment. The event came to an end with a vote of thanks by the convener, Mrs. Nisha Telang.
