The seminar started at 11:00am. with Ms. Sreeja Nair & Ms. Priyanka Dukhande guiding us with the basics of First Aid. A professional doctor, Mr. Rahul Dandekar from Terna Hospital was invited for providing the volunteers with in depth information regarding the topic. After he guided us through his knowledge, the volunteers were given a chance to ask their queries regarding First Aid which were answered by Rahul Sir. After the question-answer session, Sreeja ma'am and Priyanka ma'am with the help of a powerpoint presentation gave the volunteers a more brief idea on the topic. After the whole session was over a sapling was offered to Mr. Rahul Dandekar as a gift in order to thank him for giving us his valuable time and knowledge.
