

# National Research Conference INFOSPARX 2015

---

Report On National Research Conference INFOSPARX 2015, SIES(Nerul) College of Arts, Science and Commerce.

SIES (Nerul) College of Arts, Science and Commerce hosted the National Research Conference INFOSPARX 2015 “New Facets In Business, Economics, Management & Extension on the 20th and 21st of February 2015. According to Conveners Ms. Sugandha Jha & Dr. Neera Kumar “The conference targeted at providing a podium where both academia and Industry professionals could deliberate, debate, discuss, develop and analyze new aspects of business and management”. Being the host of the conference the entire organizing committee remained very professional in the way they managed the entire conference. The entire faculty of the college from the teaching to the non-teaching staff marked their presence during the Inauguration Ceremony.

The sun rose for conference with the registration process for the participants which began by Ten 0’ Am. The college offered their amazing quality of hospitality towards their participants and made them feel at home. The inauguration ceremony marked the beginning of the conference .As it is always said that the best way to begin an event is by thanking God for the strength he gives us to run each day’s race. Hence to acknowledge this fact they began with the lighting of the lamp ceremony. This was followed by the felicitation of our honored delegates; done as a token of appreciation. The conference saw the presence of our highly respected delegates ,the Chief Guest Dr. S.T. Gadade , Principal CKT College , Parton Dr. Dilip S. Patil Professor and Director DLLE ,University of Mumbai ,the keynote address was given by Ms. Sangeeta S. Alphonso Sr. Police Inspector Nerul, Navi Mumbai , Mr.S V.Viswanathan Member Managing Council, SIES and Dr. Rita Basu Principal SIES(Nerul) College of Arts, Science and Commerce.

The entire inauguration ceremony was hosted by Ms. Ananya Gon and Mr . Mithun Pillai they both put forward a brilliant inauguration ceremony which also had a very well choreographed skit that was displayed by the students of the extension cell of SIES Nerul. The delegates also put forward intellectually rich speeches which extended from topics very unique in its own way. Dr. Rita Basu, Principal SIES (Nerul) College of Arts, Science and Commerce put forward a very encouraging speech something that was the need of the hour for the participants. She mentioned that such type of conferences is always effective for the growth of the institution and individual. She was overwhelmed with the response that the Conference received in the form of research papers. Dr. Dilip S.Patil spoke on Rural Development and Extension, followed by a speech on Economic Growth that was presented by Mr.

S.V.Viswanathan, there was also a very informative speech based on the topic Corporate Data Theft which was put forward by Ms. Sangeeta Alphonso.

This marked the end of the Inauguration Ceremony and marked the beginning of the conference which was filled with unexpected events, anxious minds and a display of a whole lot of hard work that was displayed through the participant's paper presentations.

The Host for the conference was Dr. Purvi Pujari . The theme for the first session was based on Finance which saw participants from various research backgrounds . The Chairperson was Dr. Rajindra Aurora Faculty of Finance IBS and Corporate trainer . The chairperson for this session was overwhelmed by the response he received from all the participants and was very anxious to see what each participant would put forward . The end of session one walked into the lunch break that was organized by the organizing committee.

Session two the last and final session for the day begun right after the lunch break ,the theme for this session was Economics, the chairperson for this session was Ms. Saraswati Swaminathan HOD, Department of Economics , SIES College Sion (E) Mumbai . Paper presentations put forward during this session had covered a variety of topics that would be included under the broad spectrum that Economics covers.

This marked the sunset for the Conference dated the 20th of February 2015 . Participants couldn't feel more proud of themselves than they did today as all their hard work paid off in manner they would have never interpreted . The 21st of February saw an early start for all the participants as the conference began by 9 am. The host of the day Two session were Ms. Trupti Wani and Mr. Chaitanya Songirkar. The Chairperson for the day was Mr. Rohit Nalwade ,who is the founder and Managing Director of Keeptrak Research Labs. Keeptrak is a Mumbai based company that offers tracking as a cloud based platform. Previously Mr. Rohit founded a retail technology and data mining company that was incubated at IIT Bombay.

The entire conference saw an enormous amount of participations which amounted to a rough figure of fifty five research paper. What was remarkable was the great research that was conducted by most of the presenters in their own unique manner .As it is pretty vivid that the success of such events are generally the result of close cooperation among several institutions and individuals. The entire team saw the end of the conference with the valedictory function and Vote of thanks given by the convenor Ms. Sugandha Jha

The entire team shortly stated that they really appreciated the presence of every single person in their midst and that they would appreciate this similar interaction in the years to come.
