

“Recent Trends in Technology, Management and Environment”

The Research and Add-On Committee of SIES (Nerul) College of Arts, Science and Commerce, organized a Research Conference “Recent Trends in Technology, Management and Environment” on 28th January 2014 at 09:30 am.

This conference was headed under our Principal Dr. Rita Basu (Conference Chair) and Chief Convener Ms. Swati Vitkar (IT/CS). Ms. Pooja Desai (Co-convener - EVS), Dr. Mrs. Priyadarshani (Co-convener – Management), Ms. Meenakshi (Member), Ms. Priyanka Dukhande (Member), Ms. Sheetal Sable (Member).

The conference aimed at providing a platform for the young and vibrant students to give vent to their research bend of mind.

The core objectives behind the conference were,

1. Motivating students from understanding what is research, writing a research paper and polishing there presenting skills.
2. To present the best managerial products of the Technology, Management and Environment theory and practice from India and other countries.
3. To involve in joint projects for better understanding.
4. To accelerate the development of innovative and creative ideas.

The honorable Chief Guest Dr.Vibhuti Patel, Professor and head of the University Department of Economics and Director, Department of Post Graduate Studies and Research of SNTD Women’s University, Mumbai and holds a Doctorate in Economics, inaugurated the session , followed by thoughts expressed by convener Ms. Swati Vitkar who motivated the students towards research activities. Then Principal Dr.Rita Basu also guided the students, which

set the mood for the research atmosphere. A total of 40 young researchers presented their research papers.

The conference went in three tracks,

1. School of Packing (SOP) Auditorium -- Msc. IT/CS
2. A.V. Room -- MSC. EVS,
3. Room No. 2 - MCom

This regional conference was arranged for the post graduate students of Msc. IT/CS, MCom and Msc. EVS. The total number of papers received were more than 80 in all three tracks. These papers are reviewed by eminent faculties and 40 papers are selected for presentations. Students participated were more than 80 from our college and other colleges. The students who were presenting were charged with Rs. 250 and only participating Rs. 200.

The presentations were conducted on three separate tracks and each of the session was judged separately by eminent academicians. Ms. Uttara Athawale for Msc. IT/CS and Dr. Devyani Savant for MCom, Msc. EVS.

The Msc. EVS and MCom track got over at 04:00 pm and MSc. IT/CS track got over at 05:00 pm.

Best paper awards

Technology Track

Aditi Chiklikar (Patkar College, MSc.IT), Sharath Nair (SIES GST, C.S.Engg.), Kauleshwar Pandey (SIES, Nerul, MSc.IT).

Environment Track

Ms.Ashwathi Nair (MSc. Evs)

Managment Track

Ms.Christina Sunny(MCom)

A full-day academic spell truly envisaged the young researchers immense depth of knowledge and analytical skills. The whole conference in true sense uplifted the spirit of rising young Indian students of Mumbai and Navi Mumbai.

Finally, the Conference was a team-work of principal, Convener, all teacher members and students, who put efforts to make it motivating and enlightening with knowledge. It provided many opportunities to exchange knowledge and ideas on Technology, Environment and Management, promoted the province, and shared new integrated resource management approach, Work on environmental Monitoring, Management planning etc.

The stupendous effort jointly put forth by MSc.IT MSc.Environmental Science, and MCom departments made the one day event a grand success.
