

SIES (Nerul) College of Arts, Science and Commerce
Result Improvement Committee
Report on University Examination Preparatory Guidance lecture

17th October, 2016

Result Improvement Committee had arranged University Exam Preparatory Guidance Lecture for first and third year under graduate students (all Courses).

Purpose:

1. The aim was at tapping the talent in students, encouraging them to appear for examination and helping them to improve their preparation and success in the examination.
2. To provide guidance on examination technique – (how to maximise chances of success), so that the students get the grades/class of degree that they deserve.
3. To make the examination experience as stress-free and successful as possible for all candidates.

Who could be better to advise the students than an examiner? - Someone who has marked thousands and thousands of exam papers; someone who sets questions and therefore knows exactly what examiners look for in answers; someone who has seen all the errors that students make, time and time again.

The experienced teaching faculties of the college provided guidance on examination techniques and wished to each one of the student on their path to success at the upcoming university examination and beyond.

University Exam preparatory Guidance lecture scheduled

Sr. No.	Course	Room No.	Date	Time	Guidance By
1.	T.Y.B.Com	14	3/10/2016	9:30 – 10 a.m.	Ms. Indumathi B.
