5 Library Orientation (in the classrooms) along for the First Year students with the student wing of the Library Committee

A student wing of the Library Committee was formed in the academic year 2014 -15. This wing had its first event in the month of August 2015. Between 3rd – 10th August 2015 , the 4 student members of the wing (Manali SY AF , Misba SY CS , Akshata SY CS , Sudha SYBMS) along with the Librarian Ms Neelima B went to the classrooms of all the First Year students and briefed them about the college library the various services provided. This was done both mainly in the form of a small skit performed by the students to attract the attention of the audience. The motive was also to lure more students towards the Library Committee & thereby create more awareness about the college library. The feedback was positive & it has resulted in an increase in the student membership of the committee , with a number of First Year students now being active members.

The student wing is currently working on its next event – the Library Resources awareness competition scheduled in the month of September 2015.

9 Display of library books – theme wise was a small event organized on the **21st of December 2015**. Novels (fiction books) were displayed in the reading room area. The display was & queries were handled by the student wing of the library committee. Students were invited to come & glance at the collection thereby creating an awareness amongst them. An informative poster was put up to make the event interesting. Faculty members also viewed the same. The response to the event was good and the feedback suggested more such initiatives in the future.
