ABOUT THE COLLEGE

The SOUTH INDIAN EDUCATION SOCIETY (SIES) is one of the oldest educational societies in Mumbai and was started in 1932. The SIES(NERUL) COLLEGE OF ARTS, SCIENCE AND COMMERCE(SIESASCN) was established in September 1998, as a commerce college and is affiliated to the University of Mumbai. The college added science (Computer science, Information Technology and Environmental science) and Arts faculty (Mass Media) in the year 2001 and 2002 respectively. The college has been growing steadily by introducing new courses as per the demands of the society. Presently, the college has Junior college, 8 undergraduate and 4 post graduate courses.

The vision of the college is to see that the students become either entrepreneurs or employable in the competitive world. The college has been accredited with 'A' grade by the NAAC and also ISO 9001-2008 certified. "Rise with education" is the motto of the college. The culture at SIESASCN is to continuously strive for greater heights to ensure increased productivity. By creating the right synergy between all the stakeholders, the College aspires to scale greater heights in the years to come.

ABOUT THE WORKSHOP

Higher education is critical to India's aspiration of emerging as a major player in the global knowledge economy. It is the key to providing requisite knowledge and skills required for sustained growth in the economy. With large number of young population in our country, there is a tremendous pressure to expand the higher education in India. Yet, the role of quality in education cannot be compromised. National Assessment and Accreditation Council (NAAC) focuses on assessment of quality of higher education institutions in the country. NAAC has created quality standards for colleges to improve the academic environment in institutions.

As a part of its continual quality improvement initiatives, NAAC has revised the assessment and accreditation process. The main focus of the revision process has been to enhance the accreditation process and make them more robust objective and transparent as well as ICT enabled. As a part of this process, the self study report (SSR) which forms the backbone of the entire process of accreditation has undergone changes. The workshop is being organised to help colleges to understand the new accreditation and assessment process under NAAC.

THE OBJECTIVE OF THE WORKSHOP IS TO HELP COLLEGES WITH THE NAAC ACCREDITATION PROCESS.
