The Speaker of the Seminar was our Faculty Member, Dr. Snehal Patil Birje, a NET qualified PhD holder from Department of Commerce, Nagpur University & has more than 10 years of professional experience in teaching field. She was one who organized the first webinar on CANVA in the year 2020. This year she had came up with a new presentation tool known as PREZI. The seminar started with welcome speech given by Joystal.

She then started by giving her introduction and gave demonstration over Canva Web Page. Firstly, she explained the login process and showed some illustrated samples. Then she showed extra features i.e., Premium and benefits of it. She then demonstrated some presentations, posts, PowerPoint presentations videos, flyers, brochures, invitation cards, etc. and showed us how to customize it by adding some elements, tables, graphics, lines, designs, etc.

Then she started demonstrations over Prezi Web Page. There she showed some PowerPoint presentations and explained about it. She explained that there is no need to hyperlink the slides with anything and showed some parent slides and sub slides. It was a unique way for PowerPoint presentations.
