## FROM THE PRINCIPAL'S DESK

**“Education is the most powerful weapon which you can use to change the world.” — Nelson Mandela**

26 Years ago, the city of Navi Mumbai gained a higher education institution meant for the middle class residents of this vibrant city. The institution with a practical and modern approach to education prepares students to take on challenges in the constantly changing environment.

The institution strives to rise to the Motto of Rise with Education. Our commitment to our community is to lead the college with enthusiasm and passion to enable us to reach

our goals. We give importance to discipline, moral integrity and cognitive development of our students. The primary goal of our institution is to provide a holistic environment for the development of our students and to educate students to take on the challenges of transformation. We run twenty-one Programmes and various Committees which endeavour to enrich the academic and extra-curricular standards of our students. Our teachers work hard throughout the year with the students to provide them high quality educational experience in the form of debates, group discussions, workshops, symposia, seminars, and cultural competitions. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts. We celebrated the 25th Jubilee of SIESASCN in the academic year of 2023-24.

We received the Autonomous Status in the same year. Keeping this in mind, we implemented the NEP 2020 syllabus which gave the First Year Students a pallet of various combinations of subjects. In 2024 we introduced NEP in the second year and in the year 2025 we proposed to introduced the NEP in the third year. The College has worked with passion to enrich the academic standards of our students and make them employable. We have built social awareness among our students. We pride ourselves on having a great alumni community who are in constant touch with the growth of the Institution. The world is not standing still and many opportunities are ahead of us. We continue to observe the changes around us and respond to the needs of industry and business. As an Institution, we have responded immediately to constantly evolving circumstances and new challenges. I strongly believe that - “All odds, all challenges and all handicaps of life can be overcome with strong determination, persistent hard work, insurmountable patience and unshakeable tenacity”

My best wishes to the new students entering **SIES (Nerul) College of Arts, Science and Commerce (Autonomous)**.

#### a) Computation of SGPA and CGPA

The UGC (UGC Draft on Curricular Framework and Credit System for the Four – Year Undergraduate Programme, 2022) recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA).

The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student :

$$\text{SGPA (Si)} = [ \sum ( \text{Ci} \times \text{Gi} ) ] / ( \sum \text{Ci} )$$

Where, Ci is the number of credits of the ith courses and Gi is the grade point scored by the student in the ith course.

The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme.

$$\text{CGPA (Si)} = [ \sum ( \text{Ci} \times \text{Si} ) ] / ( \sum \text{Ci} )$$

Where, Si is the SGPA of the ith semester and Ci is the total number of credits in that semester.

The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

#### b) Grading and Declaration of Results

The declaration of result is based on the Semester Grade Point Average (SGPA) earned towards the end of each semester or the Cumulative Grade Point Average (CGPA) earned at the completion of all the eight semesters of the programme and the corresponding overall alpha-sign or letter grades as given under NHEQF. If some candidates exit at the completion of first, second or third year of the four years Undergraduate Programmes, with Certificate, Diploma or the Basic Degree, respectively, then the results of successful candidates at the end of second, fourth or sixth semesters shall also be classified on the basis of the CGPA obtained in the two, four, six or eight semesters, respectively for award of

- Certificate in Arts / Science / Commerce
- Diploma in Arts / Science / Commerce
- Bachelor's Degree in Arts / Science / Commerce
- Bachelor's Degree with Honors in DSC/SSC/FSC.

## SEAT SCHOLARSHIP

The South Indian Education Society (SIES), which has been at the forefront in the field of education since 1932, imparting quality education through various disciplines, has adopted the Rising Sun as its icon and pledges its resolve to take the Nation further up with its motto, 'RISE WITH EDUCATION'. Many of us are fortunate to have had higher education and are in a position to provide it to our children in the best institutions of the world.

However, higher education is increasingly getting beyond the reach of the middle class and the poor. There is an urgency to make higher education affordable and accessible to those who are yearning for it. The society owes it to itself to provide higher education to such poor and deserving students.

The SIES Education Assistance Trust (SEAT) is a small but benevolent step to address this issue and benefit the society in its entirety. SEAT was inaugurated by Bharat Ratna Dr. A.P.J. Abdul Kalam on August 15, 2008.

SEAT currently has a corpus fund of Rs.4.5 crores, funded out of internal accruals. We disburse annually around Rs.50 Lakhs to nearly 500 students across various SIES institutions. These students are selected on the basis of both merit and economic criteria. SEAT is turning out to be one of the finest initiatives SIES has undertaken in the recent past.
