

About the Institution:

SIES (Nerul) College of Arts, Science and Commerce, affiliated to University of Mumbai, Maharashtra, was established in 1998, under the auspices of South Indian Education Society. The College is reaccredited with “A” grade in Third Cycle by National Assessment and Accreditation Council (NAAC) in the year 2021. The Institution prides itself in the fact that even though it is only 24 years old, it offers quality education in every aspect where the management, staff and students have made immense contributions to the growth of the Institution. The beginning was humble, but the College has grown by leaps and bounds over the years by offering a wide spectrum of courses, both at the undergraduate and postgraduate level. The Motto of the college is “*Tirelessly strive towards perfection and scaling greater heights*”. The college also believes in imparting education to students for their all-round development to create ideal citizens of the nation.

About the Seminar:

NEP-2020 provides a huge opportunity to revamp education by changing the mind-set of all stakeholders, provided the right strategies are in place for their implementation. In this context, Higher Education Institutions are developing student centric approach for increasing student engagement in the learning process, enriching knowledge, and unleashing their skills and abilities as well as enhancing achievements. Curriculum has become a dynamic process due to the changes that are occurring in the society. There is the need to update, innovate and modernize syllabus to include technological, practical and industrial advancements. Innovative curriculum with multidisciplinary approach will help in focusing on employability, entrepreneurship and skill development. Teacher’s involvement in the process of curriculum development is also important to align content of curriculum with students and societal needs. Hence teachers need training in the form of seminar for enhancing professional skills and contributing to curriculum design and developments. This seminar is intended to align with the goal of The New Education Policy (NEP) 2020 of the Government of India, to revamp curriculum, pedagogy and assessment methods.

Objectives:

The seminar will focus on:

- Planning and developing systematic, progressive and purposeful curriculum process.
- Brainstorming on designing curriculum that would deepen learning process.
- Discussing on suitable teaching-learning strategies and methods, necessary for positive improvement in teaching-learning process.
