FROM THE PRINCIPAL'S DESK

“The future belongs to those who learn more skills and combine them in creative ways.” — Robert Greene

Twenty-eight years ago, SIES (Nerul) College of Arts, Science and Commerce was established to provide a practical and modern educational foundation for the students of Navi Mumbai. Today, as an Autonomous institution, we have evolved into a hub of innovation where we don't just observe global changes we lead them. Our motto, “Rise with Education,” is the heartbeat of our campus, ensuring our students are prepared to excel in a constantly evolving world.

The academic year 2025-26 marked a significant leap in our journey toward "Next-Gen" excellence. We have successfully integrated Artificial Intelligence and Data Science across our disciplines, hosting national conferences like INNOVISTA 2025 and seminars on Digital Learning that explore the synergy between technology and human values. Our students engage in high-level problem-solving, such as statistical data analysis competitions and collaborative learning in advanced technologies, ensuring they are masters of the tools reshaping the global economy. As you join us for the 2026-27 session, we are proud to offer four-year undergraduate Honors programs in select disciplines, fully aligned with the National Education Policy (NEP) 2020. This expanded academic structure provides a deeper "pallet" of subject combinations and research opportunities, allowing for a truly multidisciplinary and holistic education that meets international standards.

The SIES Advantage:

- **Industry Alignment & Career Success:** We bridge the gap between academia and the corporate world through strategic collaborations with the Ministry of Education's Innovation Cell and industry leaders like Jio Payment Bank. This ecosystem has empowered our Placement Cell to secure roles for our students in prestigious organizations such as KPMG, Accenture, Tata Power, and Federal Bank.
- **Holistic Growth:** Life at SIES extends far beyond the classroom. From the 23rd edition of the Frames Film Festival to the cultural vibrancy of SIESONS and our success in University-level Research Conventions, we provide a platform for every talent to flourish.

We remain steadfast in our commitment to discipline, moral integrity, and social awareness. Our extensive community initiatives—from environmental conservation drives to rural development camps—ensure that our students remain grounded in service while they reach for professional heights.

I strongly believe that “All odds, all challenges, and all handicaps of life can be overcome with strong determination, persistent hard work, insurmountable patience, and unshakeable tenacity.”

I welcome the new students entering SIES (Nerul) College of Arts, Science and Commerce (Autonomous) and our Junior College of Commerce. Your future starts here

a) Computation of SGPA and CGPA

The UGC (UGC Draft on Curricular Framework and Credit System for the Four – Year Undergraduate Programme, 2022) recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA).

The SGPA is the ratio of sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student :

$$\text{SGPA (Si)} = [\sum (\text{Ci} \times \text{Gi})] / (\sum \text{Ci})$$

Where, Ci is the number of credits of the ith courses and Gi is the grade point scored by the student in the ith course.

The CGPA is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme.

$$\text{CGPA (Si)} = [\sum (\text{Ci} \times \text{Si})] / (\sum \text{Ci})$$

Where, Si is the SGPA of the ith semester and Ci is the total number of credits in that semester.

The SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

b) Grading and Declaration of Results

The declaration of result is based on the Semester Grade Point Average (SGPA) earned towards the end of each semester or the Cumulative Grade Point Average (CGPA) earned at the completion of all the eight semesters of the programme and the corresponding overall alpha-sign or letter grades as given under NHEQF. If some candidates exit at the completion of first, second or third year of the four years Undergraduate Programmes, with Certificate, Diploma or the Basic Degree, respectively, then the results of successful candidates at the end of second, fourth or sixth semesters shall also be classified on the basis of the CGPA obtained in the two, four, six or eight semesters, respectively for award of

- Certificate in Arts / Science / Commerce
- Diploma in Arts / Science / Commerce
- Bachelor's Degree in Arts / Science / Commerce
- Bachelor's Degree with Honors in B.Com/AF/FM/IT/CS/EVS.

SEAT SCHOLARSHIP

The South Indian Education Society (SIES), which has been at the forefront in the field of education since 1932, imparting quality education through various disciplines, has adopted the Rising Sun as its icon and pledges its resolve to take the Nation further up with its motto, 'RISE WITH EDUCATION'. Many of us are fortunate to have had higher education and are in a position to provide it to our children in the best institutions of the world.

However, higher education is increasingly getting beyond the reach of the middle class and the poor. There is an urgency to make higher education affordable and accessible to those who are yearning for it. The society owes it to itself to provide higher education to such poor and deserving students.

The SIES Education Assistance Trust (SEAT) is a small but benevolent step to address this issue and benefit the society in its entirety. SEAT was inaugurated by Bharat Ratna Dr. A.P.J. Abdul Kalam on August 15, 2008.

SEAT currently has a corpus fund of Rs.4.5 crores, funded out of internal accruals. We disburse annually around Rs.50 Lakhs to nearly 500 students across various SIES institutions. These students are selected on the basis of both merit and economic criteria. SEAT is turning out to be one of the finest initiatives SIES has undertaken in the recent past.
