LIBRARY REPORT 2019 - 2020

**LIBRARY COMMITTEE EVENT – LAUNCH OF THE LIBRARY
APPLICATION SIES DIGITAL LIBRARY**

SEMESTER 1 2019 - 20

The Library Committee along with the BSC CS Department conducted a small session for launching the first library application developed by the college.

It was conducted in the library reading room on the 24th of July 2019. The purpose of the event was to felicitate the students of the CS department who developed the application.

The session was conducted in the morning for a period of half an hour. Present for the session were the Library Committee members – the Convenor & Vice Principal Dr Koel RC, Ms Neelima B the Librarian & the Co Convenor along with the Assistant Librarian Ms Swapna Desai. The Coordinator of the CS Department Ms Padmaleela D along with other faculty members of the CS department and the IQAC team were also present for the launch.

The session was introduced by Ms Neelima. Dr Koel then spoke a few words of encouragement followed by Ms Sheej Ravi, faculty CS Department who also spoke in detail about the initiative. Sheeja was instrumental in encouraging the students from the past 6 months. The 2 students Nadeem Shaikh and Radhamakesh Naidu were also asked to speak, following which they were felicitated by Dr Koel & Sheeja. Both were given certificates and a chocolate as a token of appreciation.

The application link and the actual application were shown to all present along with its features. The application contains all details of the library collection till date, has special sections for rules, notices, fine details, article upload, link to the N list e resources subscribed by the library as well as for user feedback.

It has been developed keeping in mind the need for students and faculty to access information about the library services and its activities from home via the internet. And also to act as an online public access catalogue. The special features of the college library are also highlighted in the application. The latest notices circulated by the library regarding forthcoming events or any new services can also put up on the application for users to read the same. This venture has thus been a small foray into the digital world by the college library. It is hoped that suggestions received from the users will help in further improvisations and make the application even more accessible and patron friendly.

The session ended with a vote of thanks by the Librarian.

The highlight of the event was the acknowledgement of the efforts taken by Sheeja , Nadeem & Radhamakesh. All the faculty members who were present were impressed by the initiative and gave a very positive feedback.

SEMESTER 2 - 2019 - 20

A session on CYBER WARFARE & MOBILE HACKING was conducted by the Library Committee for undergraduate students.

It was conducted in the audio visual room on the 17th of December 2019. The purpose of the event – to instill in students an awareness about mobile & internet security, the pitfalls and the precautions to be taken.

The session was conducted in the morning for a period of two hours. Present for the session were the Library Committee members – the Convenor & Vice Principal Dr Koel RC, Ms Neelima B the Librarian & the Co Convenor along with the Assistant Librarian Ms Swapna Desai.

The session was introduced by Ms Neelima. Dr Koel then explained to the students present the need to be careful while using technology and how we all could fall prey to hackers. She emphasized the need to have such a session so that the younger generation learnt to use technology responsibly.

The resource person invited was Mr Sankalp Mate – Cyber Security Consultant (Pristine Info Solutions), whose qualifications included a degree in computer science, Ethical Hacking, Penetration Testing, Cyber Crime investigation, Cyber forensics and detailed knowledge of security tools, technologies & best practices. He was joined by his head and team mates from Pristine Solutions.

He went on to explain in detail how hacking can happen and security gets breached. He made the session interactive and also used slides and videos to get his point across. Students put forth their enquiries and were also briefed on careers in Cyber & Mobile systems.

The vote of thanks was given by Ms Neelima, who also handed over a letter of appreciation to the speaker.

The highlight of the event – educating students about the need to exercise caution while using technology.

The feedback was positive and the audience found the session very informative.

ADDITIONAL SESSION ON : AWARENESS ABOUT INFORMATICS – J GATE SOCIAL SCIENCES – E JOURNALS PACKAGE / CAREERS IN CYBER & MOBILE SYSTEMS & SECURITY - PRISTINE SOLUTIONS

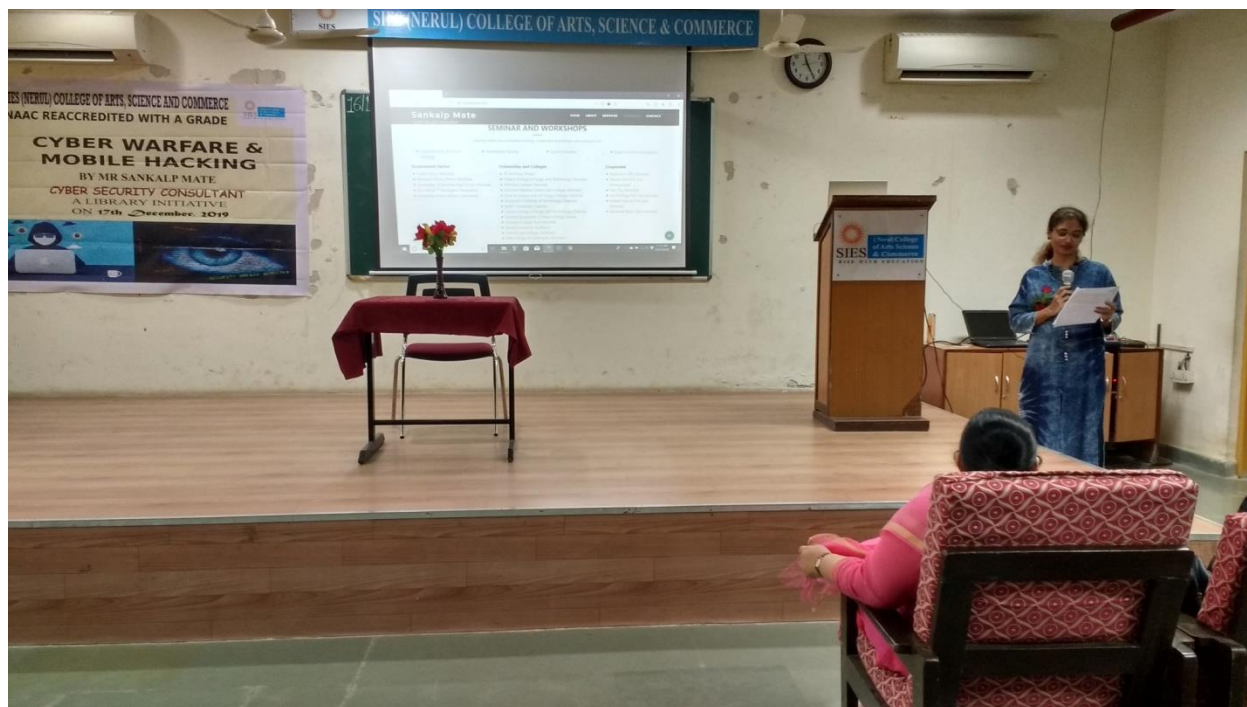

On the 19th of December 2019 , a session was conducted informally for undergraduate students on how to use some of the E resources subscribed by the college library.To be specific – the J GATE Social Sciences Package by Informatics.And so also on Careers in Cyber & Mobile Systems provided by Pristine Info solutions.

The sessions were conducted by representatives of both Informatics & Pristine Solutions , in the library.Students were called in batches from 10.00 am onwards classwise and were provided the information.They were thus taught how to use the available E journals for their research projects and other academic activities and also the career options available to them in Cyber & Mobile System.

The students showed a keen interest and the outcome was that they gained a lot of knowledge on the said topics.

Similarly on the 23rd of December 2019, a similar session was conducted for faculty members informally in the staff room by the same teams on the usage of E Journals and the pitfalls of modern technologies along with security measures to be taken.A lot of enquiries were made by the faculty members and they were answered satisfactorily.

Again there was a lot of knowledge sharing and awareness created on the said topics.

On the 8th and 9th of January 2020 , a Sale cum Exhibition of Donated Books was organized by the Library Committee for students of all the streams and also for staff members.

The college library had a stock of approximately 320 donated books (fiction, non fiction and general subject reference books - list attached) donated by various faculty members and students.

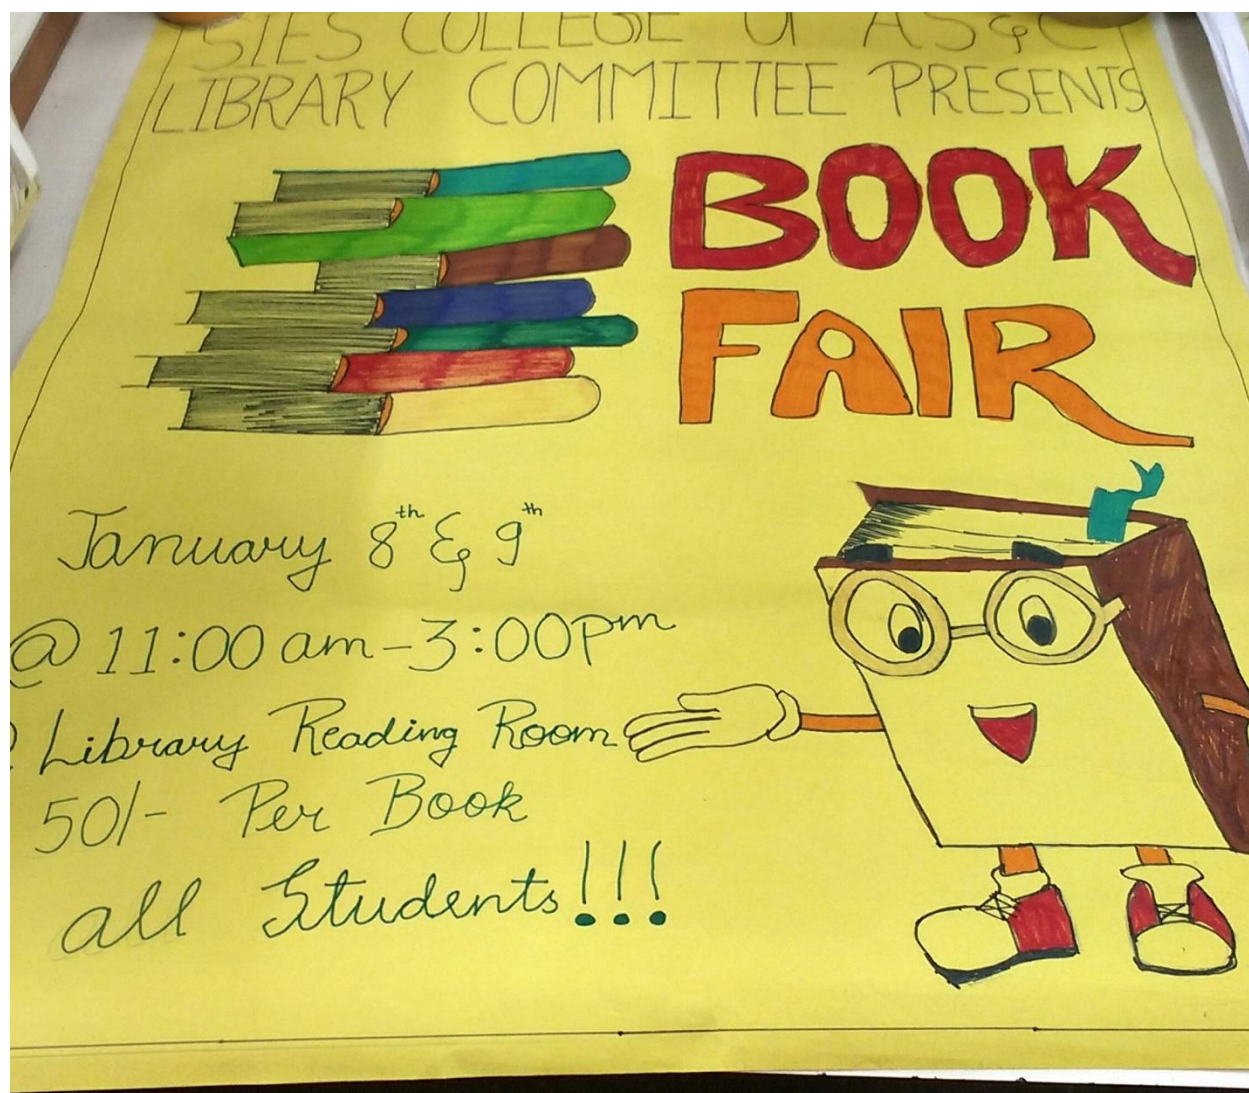

These were sorted , arranged & displayed. The venue was the reading hall of the college library.

The purpose of the event was to inculcate the reading habit among students and also to provide them with books for their studies / project work / academic activities. The books were sold at the rate of Rs 50 per book , fixed in consultation with the Principal and the college head office.

Students (nearly 200) from various streams attended the exhibition and purchased books , that they found useful.

Present for the exhibition were the Library Committee members – the Convenor & Vice Principal Dr Koel RC , Ms Neelima B the Librarian & the Co Convenor and the Assistant Librarian Ms Swapna Desai. The 2 day display was conducted with the help of the library peons Mr Vishwas , Mr Jayram & Mr Pravin.

Over 100 books were purchased by the students and the revenue generated from the sale was nearly Rs 7000 , which later could be utilized for the library itself. The feedback from the students indicated that they found the initiative very useful. The highlight of the event was it generated excitement amongst students who were able to buy books of their choice at a nominal rate thereby luring them towards books.
