SRIJA SAPANI

NAVAMI SANIL

Dear Readers,

Welcome to the latest edition of the Placement Magazine! As the editors, we're thrilled to bring you the inspiring stories of our students journey towards a successful career.

At SIES (NERUL) College of Arts, Science, and Commerce (Autonomous) our Career Guidance and Placement Cell has been tirelessly working to provide our students with top-notch opportunities and guidance to help them realize their dreams. In this issue, you'll find compelling success stories of our alumni who have carved out impressive paths in their respective fields.

Furthermore, we've curated articles on emerging career trends, expert insights, and invaluable tips and tricks to empower our students for the competitive job market. Our mission is to arm our students with the essential skills and knowledge to tackle any professional challenge head-on.

We extend our heartfelt gratitude to our esteemed faculty members, dedicated placement team, and all contributors who have made this issue possible. It's our sincere hope that this magazine serves as a valuable resource, inspiring our students to soar to greater heights in their careers.

Happy reading!

PRINCIPAL'S NOTE

DR. KOEL ROYCHOUDHURY
ARTS, SCIENCE, COMMERCE
PRINCIPAL
MUMBAI UNIVERSITY

We have come a long way since the establishment of our institution 25 years ago. Our main vision is to provide a path to our students to develop career rather than just provide placement. The Placement cell facilitates the potential of the students which are developed by an environment of academic progress and holistic development. This nurtures the students by developing their employability skills. We have fostered the industry association over the past several years. We wish to continue the same relationship with the recruiters. Through this brochure, we would like to put forward the qualities of the students in finance, management, Human resource and Information technology. We would take this opportunity to invite you to our campus and evaluate our students talents.

CONVENOR'S NOTE

MS. SUGANDHA JHA
CONVENOR

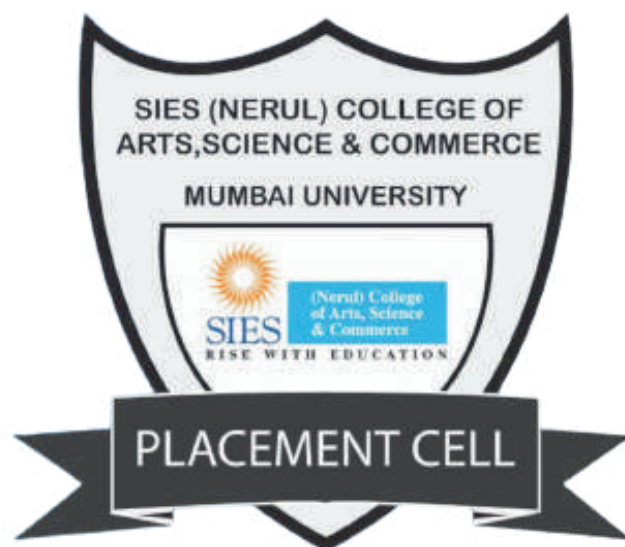

SIES (Nerul) College of Arts, Science and Commerce is a 25 year old institution started in the year 1998, has a Career Guidance and Placement cell that ensures placement and training assistance to every student. It is also responsible for conducting on-campus placement drives and organising a wide range of activities such as pre-placement talks, workshops, guest lectures and seminars.

We welcome all the students in the most significant phase of their academic journey. It is the time when they will acquire their own identification by exhibiting their skills and competencies. Campus placement is the most important landmark, for the ungraduated students. It's a wish of every student to start their journey of professional life with the best employer. Their future, aims, lifestyle and joy all rest on a good career start that they will get from Campus Placement.

Best Wishes to all the aspirants.

ABOUT PLACEMENT COMMITTEE

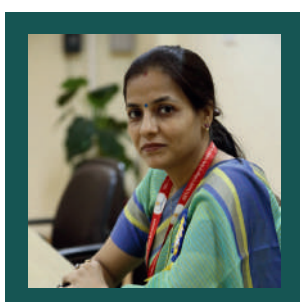

The Placement Committee is a student-run organization that works towards bridging the gap between students and potential employers. The committee is responsible for organizing various activities and events, such as campus recruitment drives, industry interactions, and skill development workshops, to help students enhance their employability and secure their dream jobs. The committee comprises enthusiastic and dedicated members who are committed to providing the best opportunities and guidance to their fellow students. They work closely with the college administration, faculty members, and industry experts to create a conducive environment for students to explore career prospects and make informed decisions. Through their efforts, the Placement Committee strives to create a strong and well-connected network of professionals, students, and alumni who can contribute to each other's growth and success

ADITYA PEDNEKAR GENERAL SECRETARY

Being a part of the Placement Cell these last few years has been of vital importance for me, and a large part of my life. It turned me from an introvert to someone who has the confidence to speak in front of a crowd of hundreds. It has taught me how to be a part of and lead a team through thick and thin. It has taught me you can't put a value on clear communication, and most importantly, I believe it has taught me the value of perseverance. Of the fact that when it seems the deck is against you, all you need is a single good hand to win the game. And these are lessons I'll carry with me for the rest of my life.

RAJESHWARI YADAV JOINT GENERAL SECRETARY

My journey from joining as a volunteer in 2022 to serving as Joint-General Secretary for 2023-24 fills me with immense gratitude. Working alongside the best of the best within the Placement cell has been an unforgettable experience. I owe it all to Sugandha ma'am and our previous core team for trusting me with this opportunity and believing in my potential. Through the highs and lows of this journey, I've a bag full of memories and invaluable lessons. The Placement cell has not only boosted my confidence but also provided a platform for honing my skills. I am forever grateful for the opportunity to be a part of Placement Cell.

RAMYA CHIDUMALLA JOINT GENERAL SECRETARY

Hello, this is Ramya Chidumalla. My tenure within the cell has been immensely enriching, providing numerous opportunities for learning and personal growth. From starting as a volunteer to assuming the role of Joint General Secretary, it has been a remarkable journey filled with excitement and learning experiences.

I am deeply grateful to everyone in the committee for their dedicated efforts and hard work. The Placement Cell has equipped me with invaluable leadership qualities, enhancing my ability to navigate various challenges effectively.

PLACEMENT TEAM

BAF

Becoming the BAF Head of the Placement Cell at my college was both exciting and challenging. I had the opportunity of helping my classmates with their future careers and connecting our school with companies. This journey was full of challenges, learning, and great satisfaction. From the moment I was chosen, I felt the responsibility right away. My first job was to understand how things were currently done. I spoke with the faculty advisors to learn more about how the placement cell worked. This initial phase involved a lot of learning about recruitment cycles, what companies expected, and what students wanted. For a smooth process, I was lucky to have a group of motivated and hardworking people. We assigned tasks based on each person's strengths and interests, making sure everyone was involved and productive. We held regular meetings and brainstorming sessions to stay organized and keep coming up with new ideas. We conducted various successful drives with companies like Kpmg, Nielseniq , Bajaj Allianz, etc. Being the Head of the Placement Cell was a rewarding experience that taught me important lessons in leadership, teamwork, and persistence. This journey showed me the power of working together and good leadership. As I pass on the role, I believe the foundation we have built will keep helping and guiding future students towards their career goals.

REPORTS 2023-2024

KPMG

The KPMG Placement Drive took place on September 4, 2023, from 9:30 AM to 4:30 PM, with the objective of identifying and hiring skilled candidates to ensure a steady talent pipeline for current and future roles within the company. The event targeted third-year commerce students and was led by Sushma Jaglan, a Technical Director with 12 years of experience in audit. The day began with Jaglan providing an in-depth overview of KPMG's history, values, and mission. This was followed by detailed insights into the group discussion and personal interview processes. Jaglan also highlighted the company's culture and work environment, emphasizing what makes KPMG unique as an employer. Additionally, she discussed opportunities for career advancement, training, and professional development available within the organization.

REPORTS 2023-2024

GLOBAL UNIVERSITY FAIR

The Global University Fair took place on December 7, 2023, from 11:30 AM to 2 PM at Tiger's Den. The event was inaugurated by Mr. Yatendra Bansal, CEO of Jamcampus Abroad, and began with a ribbon-cutting ceremony. Following this, Principal Dr. Koel Roy Chaudhary delivered an opening speech, officially commencing the fair. Students from FY, SY, TY, and GST attended the event to explore international education opportunities.

Throughout the day, students had the chance to interact directly with HR representatives from various foreign universities. These representatives provided detailed information about their institutions, including resources, fee structures, and necessary documents. The fair facilitated direct connections between students and admissions officers, offering valuable insights into studying abroad and the application process.
