## • REVIEW

In addition to all the above placements, the Placement Cell has assisted over 30 companies during the year, and helped place 170 students during the year at top global companies. Additionally we have also conducted various seminars during the year on topics ranging from professional development to developing various skills in our students like email writing. We have provided various internship opportunities to students in all years with a wide range of companies, and have also conducted talks by experts on foreign education in order to guide any interested students.
