

# AA RAMBH

A man in a dark suit is seen from behind, walking up a wide, modern staircase. The staircase leads towards a city skyline at sunset, with the sun low on the horizon, casting a warm orange glow over the buildings. The sky transitions from a deep blue on the left to a bright orange on the right. The man is carrying a dark briefcase in his right hand.

It gives us immense pleasure to present to you our latest edition of the Placement Magazine. As the editors of this magazine, We are excited to share with you the stories of our students and their journey towards building a successful career.

Our Career Guidance and Placement Cell at the S.I.E.S (NERUL) College of Arts, Science and Commerce has been working tirelessly to provide our students with the best opportunities and guidance to help them achieve their dreams. In this issue, we have compiled some inspiring success stories of our alumni, who have made a mark for themselves in their respective fields.

In addition to this, we have also included articles on emerging career trends, expert opinions, and tips and tricks to help our students prepare for the job market. Our aim is to equip our students with the necessary skills and knowledge to face any challenge that comes their way.

we would like to thank our faculty members, placement team, and all those who have contributed to this issue. We hope this magazine will serve as a valuable resource for our students and inspire them to reach greater heights in their careers.

RISE WITH EDUCATION

PLACEMENT CELL

We have come a long way since the establishment of our institution 24 years ago. Our main vision is to provide a path to our students to develop career rather than just provide placement. The Placement cell facilitates the potential of the students which are developed by an environment of academic progress and holistic development. This nurtures the students by developing their employability skills.

We have fostered the industry association over the past several years. We wish to continue the same relationship with the recruiters. Through this brochure, we would like to put forward the qualities of the students in finance, management, Human resource and Information technology. We would take this opportunity to invite you to our campus and evaluate our students talents.

RISE WITH EDUCATION

SIES (Nerul) College of Arts, Science and Commerce is a 25 year old institution started in the year 1998, has a Career Guidance and Placement cell that ensures placement and training assistance to every student. It is also responsible for conducting on-campus placement drives and organises a wide range of activities such as pre-placement talks, workshops, guest lectures and seminars.

We welcome all the students in the most significant phase of their academic journey. It is the time when they will acquire their own identification by exhibiting their skills and competencies. Campus placement is the most important landmark, for the ungraduated students. It's a wish of every student to start their journey of professional life with the best employer. Their future, aims, lifestyle and joy all rest on a good career start that they will get from Campus Placement.

Best Wishes to all the aspirants.

# About Placement committee

The Placement Committee is a student-run organization that works towards bridging the gap between students and potential employers. The committee is responsible for organizing various activities and events, such as campus recruitment drives, industry interactions, and skill development workshops, to help students enhance their employability and secure their dream jobs. The committee comprises enthusiastic and dedicated members who are committed to providing the best opportunities and guidance to their fellow students. They work closely with the college administration, faculty members, and industry experts to create a conducive environment for students to explore career prospects and make informed decisions. Through their efforts, the Placement Committee strives to create a strong and well-connected network of professionals, students, and alumni who can contribute to each other's growth and success.

**Ashish Singh**  
General Secretary

From joining this committee as a volunteer in 2021 when placement cell do not use to exist properly, to being a part of first ever job board and to making it to be the General Secretary of the Placement cell 2022-23 as a person I came long way with dreaming the vision to acheiving it with Career Fair, offline campus drives and Job board phase-1 made countless memories with my team for the rest of my life. With all the lows and Ups in my journey, I lived it for a year, if ever dreams could be lived leading this Cell made me beleive in them. Greatfull to Our Convener Sugandha Jha and previous core members for believing in me to give me this opportunity to lead this Cell. Greatfull ☆☆☆

**Shraddha Salunkhe**  
Joint General Secretary

From 2021 to 2023 from volunteer to joint secretary, Placement cell gave me a lot. From Memories, bag full of experiences, friends like family to a great team on which we could easily rely upon. I got the best co-secretaries where they have been a constant support throughout the journey. Couldn't have asked for a better team and such a great learning experience in life. I would definitely cherish this beautiful journey of mine in the placement cell for the rest of my life. Blessed to be part of Placement ASCN

**Sumanth Turlapati**  
Joint General Secretary

The journey from volunteer to Joint General Secretary was a memorable one . Glad to get this opportunity to lead such a fabulous n a dedicated team.I got the best co-secretaries, working with them was at ease and even fun-filled. Thank you for your constant support. Placement cell has given me a platform wherein I can show my skills, learn and explore new experiences. The drives and seminars we conducted has given a bag full of memories to cherish for life. Fortunate to be a part of placement cell

## BMS

### **Priyanka Rathaur (BMS Stream Head)**

"Talking about my journey in placement cell cannot be put into words but can surely be remembered with the memories I've created with my team members! Indeed will miss all of them!"

### **Tanvi Ganu (BMS Volunteer)**

Talking about my journey in placement cell cannot be put into words but can surely be remembered with the memories I've created with my team members! Indeed will miss all of them.

When my final exams finished in FY and there was not much to do in the holidays, I decided to volunteer in the Placement Season 2022. It was a great learning experience. I had fun with my seniors. Being in the coordination team, doing creatives work & student management was amazing. Later, in my SY I became the volunteer of Placement Cell where I learnt about email hunting, callings, did PR work and got an insight about how HRs recruit students. Being part of various seminars and orientation programs of many companies enhanced my learning. It was overall a great experience with my co- volunteers, amazing head and a wonderful core team.

### **Zulfikar Theba (BMS Volunteer)**

My journey in career guidance and placement cell started on 10th of May 2022 just after my Fy exams and I was fortunate enough to have received the opportunity to work for 1st ever job board.. and too in first year. The experience was unforgettable, Later in my second year I continued to volunteer for placement cell. This time I got more exposure as I worked in admin team and also in corporate relations which helped me a lot in my personality development.. attending drives, seminars, webinars helped me a lot in developing my personality. Overall my experience in placement cell was extremely good and I am fortunate enough to have contributed what ever I could do for this cell. I could also like to thank the entire core team and stream head's for always being there. Without them this was not possible.

# Placement Team

## BBI

### **Pranita Patil (BBI Stream Head)**

My experience in placement cell helped me to improve a lot to become what I am right now and time spend with all the members while handling on campus drives is a core memory for me.

Thankyou so much for giving me the opportunity of being a stream head for 2022-2023.

### **Rajeshwari Kumar (BBI Volunteer)**

Placement 2022-23, What an experience it was! I never expected to enjoy volunteering in placement cell as much as I did, be it with being a part of CR team, media team or BBI, met such beautiful people inside out, learnt so much from them and created memories for lifetime! Thank you so much to the best stream head, best core team, best CR head, best Media heads and all the stream and supporting heads that made this journey a memorable one!! I'll miss you guys

### **GBS (BBI Volunteer)**

Working in the Placement Cell was a great opportunity. It was everything I could have asked for to learn an immense amount of experience. Working here in the placement cell taught me a great deal of skills like Teamwork, Networking, Admin & emails, social media, Leadership.

# Placement Team

## BCOM

### **Janaki Makesh (BCOM & BAF Stream Head)**

Having been involved in some high profile placement drives, I had an opportunity to learn a lot during them, from administration work to professional handling and coordination, not to mention that the bond I've formed not just with my fellow volunteers, but also the core team and rest of the heads too!

It's been a really fun experience overall!

### **Aditya pednekar (BCOM Volunteer)**

Having been involved in some high profile placement drives, I had an opportunity to learn a lot during them, from administration work to professional handling and coordination, not to mention that the bond I've formed not just with my fellow volunteers, but also the core team and rest of the heads too!

It's been a really fun experience overall!

# Placement Team

## BAMMC

### **Tejaswini K (BAMMC Stream Head)**

my journey in placement committee has been nothing short of incredible. it has been an honor to be part of the team that helped students secure their dream jobs. This team has given me so many memories to cherish and gave new experiences. It has also allowed me to develop my leadership skills.

As I move on from this role, I am confident that the placement committee will continue to thrive and help more students achieve their career goals. It has been a privilege to serve in this position and be part of the incredible team that made it all possible.

### **Tanaya (BAMMC Volunteer)**

Working in a placement cell have involved assisting students in finding suitable job opportunities, coordinating with employers for campus placements, conducting training sessions for students to enhance their employability skills, and maintaining records of placements. It would require excellent communication skills, organizational abilities, and the ability to multitask. Overall, working in a placement cell has a fulfilling experience, helping students transition from academia to the professional world. It has been a great journey to be a part of this amazing committee as a volunteer.

### **Khushi Thakkar (BAMMC Volunteer)**

Being a part of placement cell has been a rollercoaster journey. At first, I joined late, then, when I joined, I wasn't that active. All thanks to my stream head Tejaswini, she once dragged me to the placement drive, and the experience was amazing. Everyone in the cell was so warm and welcoming. I felt I knew them since years. Apart from that, networking opportunities that placement provides is commendable. From organising drives for students, to attending the drives as an interviewee, to getting placed into an organisation, one witnessed the whole process. It's fun, memorable, with so much learn. Thanks to every member of placement cell of SIES Nerul 2023, it has been amazing working with you guys.

### **Simran (BAMMC Volunteer)**

Being a volunteer of the placement cell has helped me immensely. Getting to work with individuals across streams and knowing the different job opportunities that are available in the industry helped widen my horizons. I got to learn skills like email hunting and got to approach new companies, which boosted my confidence.

# Placement Team

## BFM

### **Gauri Thakur (BFM Stream Head)**

My experience with the placement cell was enthralling. Joining the Placement Cell was one of the best decision. Being a part of this committee is the role with the various responsibilities which in effect gave me the most exposure and opportunities to learn. These opportunities to learn professionalism has made me ready to go out in corporate world with full confidence.

Working with each and every member of placement cell was completely amazing experience.

Soon we are going to end this journey but the fun that we had, the time that we have spent together, the close bond and the memories that we have created, will be their lifetime to cherish.

### **Srija Sapani (BFM Volunteer)**

The Placement Cell team was like no other. I started off as a part of the BFM team, then moved on to the Media team and a part of CR team too. It was the best journey of my life. I had the privilege of working under the best head ever and with an amazing team. My first drive in the Placement Cell was so enjoyable and memorable that I will cherish it forever.

We often stayed till late in college, working hard to ensure the success of our initiatives. As my time with Placement Cell 2022-23 comes to an end, I know I will definitely miss it. But as they say, "the journey is the destination," and I am grateful for every moment spent with this Incredible team.

### **Rugvedh (BFM Volunteer)**

I had a great experience with the placement cell. Throughout this journey all the heads the core team and every volunteer with whom I have worked was of great help and helped me to learn more than I had imagined at first. Special mention to my head who was always very kind and helpful to all her BFM volunteers and never made us feel her subordinates. The experience I had with the placement cell is something I can cherish forever

# Placement Team

## BSC CS

### **Mansi Khedekar (BSC CS Stream Head)**

It was an wonderful experience

Got to learn new things special managing all the work on time

Team work group coordination and many things

Made new friends

It was really a very nice experience working as a stream head of cs

Special thanks to Ashish Shraddha and Suman as always there for me if I get stuck helping me and guiding me throughout the year .

Also all the supporting heads stream heads really enjoyed as well as got to learn new things experience from placement cell ...

### **Aditi K (BSC CS Volunteer)**

Our Journey started from the day of interview 30 July 2022, It was the day full of nervousness for the interview and curiousness for the Results...

Luckily I got the opportunity to be the part of the cell..

Meetings, Phone calls, Events, Seminars, HR Contacts, Flyers and Whatsapp Groups...

Sometimes made us into pressure..but was great to learn

It really helped to experience the Corporate World, working under pressure and time management...

Also learnt some hospitality..

I got many friends from different streams and helped me improve my communications skills and personality..

And yes..How can I forget the Career Fair ..Pictionary, Cakes, Pani Puri and all other is just unforgettable.

Journey was indeed precious and I feel privilege to be the part of this journey and the Placement Cell.

Thank You Mansi and all the Heads and whole Career Guidance and Placement Cell

# Placement Team

## BSC IT

### **Aditya Banare (BSC IT Stream Head)**

Journey in the placement cell can't be described in single words or sentences, It's a combination of emotions and memories.

Placement cell helped me in building the confidence and connections

Going to miss the Placement Cell Family

### **Anjali (BSC IT Volunteer)**

About my journey in placement, it was a great experience overall.

I truly enjoyed working.

Specially when we had to handle HRs and we're glad about the fact that our heads gave us equal chance for the same.

My actual journey started in end of 1st year where we had to work for placement season drive and that gave boost to work more for it.

From doing creative work to actually interacting with HRs was good experience.

Bonds with other departments were made during this period of time.

Lastly I want to thank my co-volunteers, heads and the core team for guiding us throughout.

### **Ramya & Neha (BSC IT Volunteer)**

As a member of the placement cell, my journey was exciting and fulfilling.

I had the opportunity to organize and manage various recruitment drives, which helped me develop my communication and leadership skills. Working closely with my seniors allowed me to learn from their experiences and gain insights into the recruitment process.

One of the most rewarding aspects of my journey in the placement cell was seeing the success of the students we helped place in jobs or internships.

Another valuable lesson I learned was the importance of being adaptable and able to think on my feet. Sometimes unexpected challenges arose during recruitment drives, and I had to be able to come up with creative solutions to ensure that everything went smoothly.

Finally, being part of the placement cell gave me a sense of pride and accomplishment in knowing that I was contributing to the overall success of my college and its students.

# Placement Team

## SUPPORTING HEADS

### **Sara Jelsi (Media Head)**

Being a part of Placement cell family has been a wonderful experience , its a combination of emotions and memories. Got to learn alot while creating designs for the placement cell social media accounts .Time spent with all the members while handling On campus drive is a core memory for me. I feel privilege be a part of this family .

### **Amaan Hasware (Internship co-ordinator)**

The journey of placement started 2 years ago when I joined it as a volunteer in my SY, at that time I had barely knew what even committees were but today thanks to the great exposure given to me by the Placement Cell in both personal as well as professional life is far more than what I cud have ever imagined. It truly is an honour to be a part of this Family

PLACEMENT CELL

# Placement Team

## CORPORATE RELATIONS

### **Prathamesh Deorukhakar (Corporate Relations Head)**

“Placement Cell” a journey full of learnings and professional experiences with equivalent amount of joy and fun along with unforgettable memories and achievements with my team members. Started as a volunteer, then Media Head for academic year 2021-22 and presently Corporate Relations Head it's being a long way. Hard to believe this journey has come to an end. Best wishes to the upcoming future Team of Placement Cell!!

### **Neha Indrit (CR Volunteer)**

Through a period, I have learned many different things, whether it was communication, development and leadership. Being a part of this prestigious grp i.e CR Team I found it's the main pillar which is majorly responsible for giving the Shape of The placement cell.

### **Rajeshwari (CR Volunteer)**

The best experience I could have possibly gained from volunteering anywhere but placement cell, All thanks to the beautiful core team and heads, so grateful to have learnt so much and create so many memories, being part of the CR teams tops everything what an experience it was, incredibly thankful for this opportunity!!

### **Aditya Pednekar (CR Volunteer)**

Having been a part of the Corporate Relations team for the last few months, I'd say I have definitely learnt a lot and gained a lot of experience in matters such as business communication, as well as having a great relationship with my Head and co-volunteers too! It has been a really fun experience from my end, with a lot of opportunities to learn and grow!

# Reports 2022-2023

## **DELOITTE 6th september,2022**

The Career Guidance and Placement Cell of S.I.E.S (NERUL) College of Arts, Science And Commerce organized the placement drive with Deloitte for the students of TYBSc.CS and TYBSc.IT programme batch of 2022-2023 for the campus hiring. Deloitte had conducted a campus recruitment drive on 16th September 2022 in S.I.E.S (Nerul) College of Arts, Science and Commerce. A total of 101 Participants (Male-59; Female-42) attended the Placement Drive.

## **Sutherland 16th september,2022**

The Sutherland Placement Drive was held on September 16, 2022, at S.I.E.S (Nerul) College of Arts, Science & Commerce for third-year students of BCOM, BBI, BMS, BFM, and BAF. Thirteen students participated, and a pre-placement talk was given about the company and job roles. Interviews were personally taken by Ms. Rutuja Bhagat, HR person, and candidates were shortlisted and hired on the same day. The Sutherland team gave positive feedback, and the event ended with a vote of thanks.

## **Morning Star 21st september,2022**

The Career Guidance and Placement Cell of S.I.E.S (NERUL) College of Arts, Science And Commerce organized a pre-placement talk for TY students. Morningstar India conducted the talk on 21st September 2022, to make students aware of the company and its core businesses, such as data business, technology, operation unit, research and analysis, and corporate group. The company helps people plan, save, and invest to reach their financial goals. The talk was conducted in Room No 12 and attended by 145 students. The information was presented through a PowerPoint presentation, and the session was interactive and successful.

## **KPMG 18th october,2022**

The Career Guidance and Placement Cell of S.I.E.S (Nerul) College of Arts, Science And Commerce organized a placement drive with KPMG for BCOM, BBI, BMS, BFM, and BAF students of the 2021-2022 and 2022-2023 batches. KPMG provided a brief presentation about the company and job roles before conducting group discussions and personal interviews. The

drive was successful, and HR shortlisted the candidates on the same day for hiring. 74 students participated in the event, which was held on 18th October 2022.

## **IBS Mock Test**

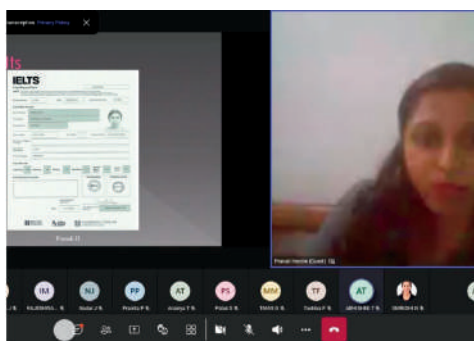

**26th september,2022**

The Career Guidance and Placement Cell of S.I.E.S (NERUL) College of Arts, Science And Commerce organized a mock test for TY students to prepare for IBSAT. The test consisted of Verbal ability, Reading Comprehension, Quantitative Ability, and Data Interpretation, and was conducted on Google forms. The objective was to enhance knowledge regarding aptitude tests. The resource person was Mr. Rahul Tiwari, and 206 students participated. The test was successful and all students actively participated.

## **IELTS Webinar**

**1st october,2022**

The Career Guidance and Placement Cell of S.I.E.S (Nerul) College of Arts, Science, and Commerce organized an IELTS seminar on October 1, 2022, to give third-year students knowledge about the IELTS entrance exam and its preparation process. The seminar was conducted by MS. Pranali Hendre, a certified trainer in IELTS exams, and covered topics such as the exam's paper pattern, time limit, marking scheme, registration process, and easy techniques to clear the examination. The seminar was informative, interactive, and well-attended by 60 students.

## **KPMG Risk Analyst Placement Drive**

**2nd december,2022**

The Career Guidance and Placement Cell of S.I.E.S (NERUL) College of Arts, Science And Commerce organized a KPMG Risk Analyst Placement Drive for third-year students of BCOM, BBI, BMS, BFM, and BAF for the 2021-22 and 2022-23 batch. The event took place online on 2nd December 2022. KPMG International LTD. conducted the campus recruitment drive, and the drive was coordinated by BFM, BMS, BAF, BBI, and BCOM program volunteers. Students participated in the campus drive, and the selection process included a pre-placement talk, a group discussion, and a personal interview. HR shortlisted the candidates on the same day, and the KPMG team provided positive feedback about the students' talents.

## **SI-UK**

**12th january,2023**

The Career Guidance and Placement Cell committee of S.I.E.S (NERUL) COLLEGE OF ARTS, SCIENCE, AND COMMERCE organized a seminar with the aim of making the students of TYBMS aware about various studying opportunities in the United Kingdom, on 29th August 2022 from 9:00 am to 3:00 pm. The key speaker of the seminar was Mr. Nayan Khupte. A total of 392 Participants (Male-160; Female-232) attended the seminar.

## Career Fair

**13th January, 2023**

The Career Guidance and Placement Cell of S.I.E.S (NERUL) College of Arts, Science And Commerce organized a Career Fair to help students with their future careers. The event took place on 13th January 2023, and included an inauguration ceremony, banner drop, higher education stalls, and games such as 'Heads up', 'Pictionary', and 'Don't relate it'. Students also set up a food stall and two cupcake stalls. The event received positive feedback from attendees.

## ICICI Lombard

**23rd January, 2023**

The Career Guidance and Placement Cell of S.I.E.S (NERUL) College of Arts, Science And Commerce organized a placement drive with ICICI Lombard for the students of BCOM, BBI, BMS, BFM, and BAF programs for the batch 2022-2023 for the campus hiring. On January 23, 2023, a pre-placement talk was conducted by ICICI Lombard, followed by group discussions and personal interviews with the candidates. Seven candidates were shortlisted and hired on the same day. The ICICI Lombard team gave positive feedback about the drive and found the right talent to drive its business objectives.

## AJDYU

**16th January, 2023**

The Career Guidance and Placement Cell committee of S.I.E.S (NERUL) COLLEGE OF ARTS, SCIENCE, AND COMMERCE organised a seminar on 16th January 2023 for third year BAMMC, BBI, and BMS students. Ms Sonali Gupta, Ms. Vaishali Sonawane, and Mr. Ishaan conducted the seminar. The speakers discussed the benefits of pursuing an MBA after graduation and highlighted the specializations offered at Ajeenkya D Y Patil University, along with its credit-based and continuous assessment system. The growing Fintech sector and the lack of practical knowledge in universities were also discussed, along with information on various entrance exams.

## A.I.I.I.T.S Seminar

**3rd February, 2023**

The Career Guidance and Placement Cell of S.I.E.S (NERUL) College of Arts, Science and Commerce partnered with A.I.I.I.T.S to conduct a seminar for TY Bsc-IT and Bsc-CS students to provide career guidance and knowledge on career paths. The seminar focused on A.I.I.I.T.S's academic delivery, infrastructure, and globally accepted programs. The seminar was successful, with active student participation.

## **Job Board**

The Career Guidance and Placement Cell of S.I.E.S (NERUL) College of Arts, Science And Commerce organized the Job Board 2023 placement drive for third year students of all streams of the 2022-2023 batch. The event lasted for 4 days, starting on March 13, 2023. Different companies participated in the drive with various sessions, including informative seminars, pre-placement talks, aptitude tests, group discussions, and personal interviews. Results of the personal interview round are awaited. The feedback from recruiters was positive, and the event was a huge success. The event concluded on March 16, 2023, with a vote of thanks from the core members of the Career Guidance and Placement Cell 2022-23.

## **Fame Keeda**

**13th march,2023**

The Career Guidance and Placement Cell of S.I.E.S (NERUL) College of Arts, Science And Commerce recently conducted a placement drive with Fame Keeda for their third-year students. Fame Keeda is a company that offers various services such as Emailers, banners, social media management, and more. The selection process included an aptitude test, group discussion, and personal interview. Out of the candidates who appeared, 00 passed the aptitude test and qualified for the group discussion round, and 12 candidates were selected for personal interviews. The Fame Keeda team was

very positive about the experience and feedback of the students, and believed that the drive fulfilled their organization's need for the right talent to drive their business objectives.

## **Tata Consultancy 13th march,2023**

in Collaboration with SIES (NERUL) College of Arts, Science and Commerce organized a placement drive for the Ty students on 13/03/2023

## **Media Net 14th march,2023**

The Career Guidance and Placement Cell of SIES (Nerul) College of Arts, Science And Commerce organized a placement drive with Media Net for the 2022-23 batch of third-year students. The event was held on March 14, 2023, and aimed to hire students from all streams. 60 students attended, with 21 candidates qualifying for the group discussion round and four for the personal interview round. Results of the interview were declared, but no candidates were selected. The feedback from the Media Net team was positive, and the event ended with a vote of thanks from the Career Guidance and Placement Cell and heads of BFM.

## **2k Consulting 14th march,2023**

The Career Guidance and Placement Cell of S.I.E.S (Nerul) College of Arts, Science and Commerce organized a seminar on higher education options in Germany in collaboration with 2K Consulting. The seminar was conducted by Mr. Vishwajeet and another resource person from Germany. The seminar covered the functions of 2K Consulting, various higher education options available in foreign countries, and benefits of studying in Germany. The seminar was informative and interactive.

## **Accord fintech 15th march,2023**

Accord Fintech conducted an Aptitude test on 15th March 2023 for third-year BCOM, BAF, BMS, MCOM students of the 2022-23 batch at SIES(Nerul) College Of Arts, Science And Commerce for campus hiring. The test was coordinated by BCOM program volunteers in room no. 18, and 50 students participated. Mr. Savio Fernandes was the resource person, and the event was organized by the Career Guidance and Placement Cell of the college.

## **Bajaj**

**15th february,2023**

in Collaboration with SIES (NERUL) College of Arts, Science and Commerce organized a placement drive for the Ty students.

## **IISM**

**16th february,2023**

in Collaboration with SIES (NERUL) College of Arts, Science and Commerce organized a placement drive for the Ty students.

## **Logiquid**

**16th march,2023**

The Career Guidance and Placement Cell of S.I.E.S (NERUL) College of Arts, Science And Commerce organized a campus recruitment drive with Logiquids for the third-year students of all programs for the batch 2022-2023. Logiquids is a technology-driven education company that introduced logical reasoning in the curriculum for kids. The drive included a pre-placement talk, aptitude test, and personal interview round. The students shortlisted in the aptitude test moved to the last round, which was the personal interview. The overall experience and feedback of Logiquids were positive, and the organization found the right talent to drive its business objectives among the students.
