Report on Stock Market Trading and Investor Psychology conducted on 24 May 2020.

B.Com department have organised a webinar on Stock Market Trading and Investor Psychology on 24th May, 2020 at 4pm. The webinar was conducted on Microsoft Teams. The webinar was organised to give students a glimpse of Stock Market Trading and also to make them aware of Advantages, Disadvantages of Stock Market Trading.

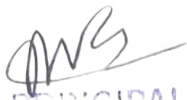

The speaker for the webinar was CA. Nikhilesh Soman who is an Expert Stock Market Analyst. Mr. Soman is a member of panel experts for television shows on stock market and has also conducted numerous workshops on stock trading. He was also invited by ICAI for many times to deliver lecture on topics related to Stock Market at various branches of WIRC.

The session was started at 4pm. Ms. Sugandha Jha madam welcomed all dignitaries and around 250 attendees to the seminar. She introduced SIES Institution and SIES (Nerul) college of Arts, Science and Commerce, as one of the emerging institutions in the field of education. Dr. Milind Vaidya, principal of S.I.E.S (Nerul) college of Arts, Science and Commerce welcomed the guest speaker and all the attendees and gave his insight on the session. He request guest speaker to preside over the session accordingly CA Nikhilesh Soman delivered his lecture on Stock Market Trading and Investor Psychology.

Mr. Soman began with a short story on how the stock market works. He further explained the two types of markets- the bull market and the bear market, in detail. He elucidated the types of trading- intra day trading and positional trading, the advantages and the disadvantages of each type of trading with suitable examples. He further listed out important points to be kept in mind while conducting stock trade. He threw light upon the difference between a trader and an investor. Lastly, he explained to us the various stages in investor psychology- what the investor goes through while investing in stock market.

The Questions and Answers session started at 6 pm. In this session, the queries of the attendees were satisfactorily solved. The speaker discussed the pros and cons of trading

Positional Trading

- Positional traders are also known as Patient traders, their main style of trading is Buy & Hold till Target achieved. Here Trader w8 for few weeks / Months till his Target comes, here he have time in his hand so mostly such type of traders always Ends up making some good money in the small period of their Holding, also Some risk of market But here Trader is not in a rush to square off all this positions He patiently wait till his Target comes. So here chances are Bright of making profits
